

THREE-IN-ONE CAMERA SOLUTION

5MP FULL-COLOR ACTIVE DETERRENCE FIXED-FOCAL EYEBALL NETWORK CAMERA

INTEGRATES 24/7 FULL-COLOR MONITORING,
ACTIVE DETERRENCE AND AI INTO ONE SMART
AND INNOVATIVE SOLUTION, GREATLY SAVING
TIME AND FINANCIAL COSTS.

THIS CAMERA CAN ACCURATELY IDENTIFY
POTENTIAL RISKS AND EFFECTIVELY WARN
OFF INTRUDERS, EFFECTIVELY PROTECTING
LIFE AND PROPERTY'S SAFETY.

ACTIVE DETERRENCE

Red and Blue Light

- Noticeable even in dense fog and heavy rain.
- More eye-catching than white light.

Enhanced Sound Alarm

- Speaker volume up to 110dB.
- Two-way talk (IPC supported).
- Optional wailing siren, recorded voice and customizable voices for different scenarios.

Real-time Notification

- Real-time alarm push notification to mobile APP.
- Visual alarm verification anytime, anywhere.
- One-tap arming and disarming, easy to operate.

FULL-COLOR

- 24/7 color monitoring significantly increases probability of collecting valid human, vehicle, and event evidence.
- Provides high color reproduction and excellent low light performance for a more vivid and brighter image
