

VIDEO MONITORING FOR ALL OF OUR CAMERAS IS
NOW AVAILABLE!

VIDEO

MONITORING

TOUGHDOG VIDEO MONITORING is the security solution you can rely on. Our active live video monitoring is the security guard that never blinks. With the use of technology and video analytics our remote security guards can act on the spot and respond immediately to any potential unfortunate event to prevent it from happening, saving your business from potential losses and minimizing the risk of personal confrontation.

REMOTE GUARD INTERVENTION

- Expedite Response Times
- Get Real Time Audio Alerts
- Increase Apprehension
- Minimize Losses

PREVENT CRIME **BEFORE** IT HAPPENS
